SOLID SURFACE WIDE SHEETS

Wilsonart's 60" Wide Sheet Solid Surface comes with a number of key advantages. Already beloved for their natural appearance, non-porous performance, and low-maintenance durability, wide sheets also yield better material and fabrication costs, along with installation upsides.

SINKS

Wilsonart® Solid Surface Sinks are acrylic cast-molded for a perfect fit that meets Wilsonart's highest standards. Solid Surface slabs create a seamless appearance for aesthetic appeal and easy maintenance, and an integral overflow is optional with most vanity sinks. Some sinks are special order and require a longer lead time. Sink drawings are available at www.wilsonart.com.
