

# Excel+<sup>®</sup> Black mdf

## PRODUCT DESCRIPTION

Uniboard<sup>®</sup> Excel+<sup>®</sup> Black MDF is produced using super refining technology. Unmatched in terms of performance and flexibility, Excel+<sup>®</sup> Black MDF has a superior surface quality, uniform density, precisely controlled thicknesses and sanding smoothness, making it perfect for projects requiring deep machining and routing.

Uniboard Excel+<sup>®</sup> Black MDF complies with MR10 24-hour submersion testing for moisture resistance and exceeds ANSI A208.2 MR10 requirements for thickness swell.

Uniboard Excel+<sup>®</sup> Black MDF is offered in lift quantities in a standard North American panel size, and is designed for easy handling.

Uniboard Excel+<sup>®</sup> Black MDF is produced at our world-class MDF mill located in Mont-Laurier, Quebec, and is part of Uniboard's high-performance MDF product range.

## IDEAL APPLICATIONS

Uniboard MDF is excellent for applications such as:

- Cabinetry components
- Decorative panels
- Residential and commercial millwork
- Slatwall
- Store Fixtures
